

# Weight Loss Appointment Instructions

First please download the ApproXie app from your phone's app store.

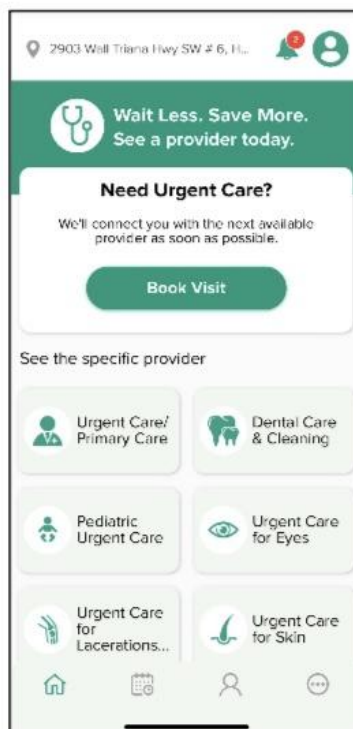

Click on "Get an Appointment"

Login using your phone number.

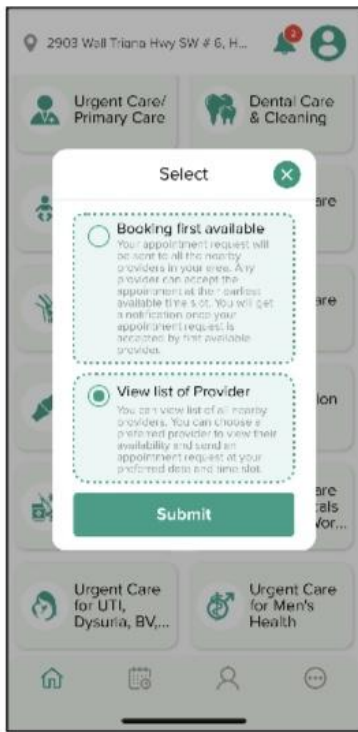

Put in the code that it sends to your phone number.

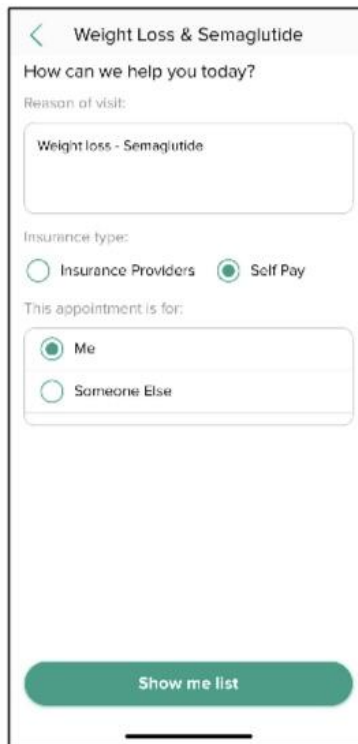

This is the screen it will show when you are logged in.

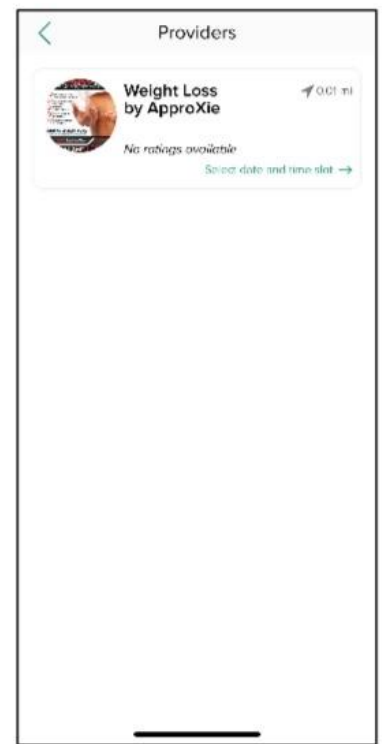

Scroll down and click "Weight Loss and Semaglutide."

Click "View List of Providers."

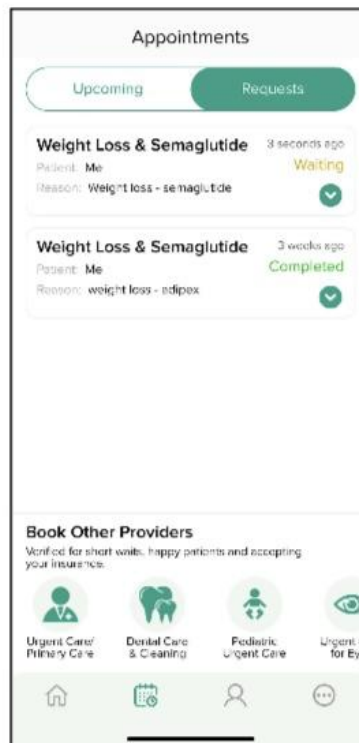

Fill in the information it requests with the name of the medication you are requesting. Select "Self Pay" because this visit is not run through insurance.

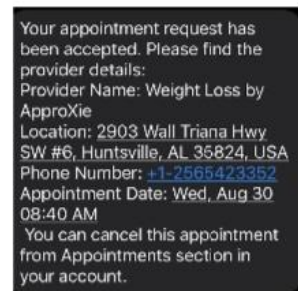

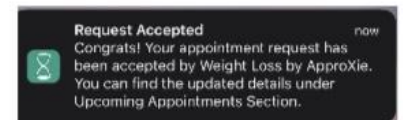

At this point, only one option should appear. Click this "Select date and time slot."

Use this screen to select the date and time you would like. It must be on a Tuesday or Wednesday.

After you click "Book Request," it will show that you are waiting on the request to be accepted.

You should receive a notification from the app and a text message confirming your appointment.
